**Because of the size and need of the average family, for $7,600, we build all houses with two bedrooms and a living area, sanitation and a water component. We help a house become a home by also including furnishings and a solar-powered light kit with the home as needed. You will receive a Certificate of Appreciation with a photograph of the family standing before their secure and comfortable home. Contributions are tax-deductible under Internal Revenue Code section 501(c)(3).*
