*Because of the size and need of the average family, for \$7,200, we build all homes with two bedrooms and a living area, sanitation, solar-powered lights and water. Any gift of \$3,600 will be matched by another generous donor, and you will both receive a Certificate of Appreciation with a photograph of the family standing before their secure and comfortable home. What a beautiful way to honor or memorialize a loved one.

** Food-related pricing represents the cost of food, freight and distribution. Funds may also be used for food-producing projects and operational expenses.

***Food For The Poor has ongoing animal programs that support poor families and communities. When a project/program is funded, donations will be used to fund the most urgent needs of the poor and ongoing support.
