Gift Where It Is Needed Most:

** Because of the size and need of the average family, for \$7,600, we build all houses with two bedrooms and a living area, sanitation and a water component. We help a house become a home by also including furnishings and a solar-powered light kit with the home. Any gift of \$3,800 will be matched with the gift of another generous donor, and you will both receive a Certificate of Appreciation with a photograph of the family standing before their secure and comfortable home. What a beautiful way to honor or memorialize a loved one.*

*** Food-related pricing represents the cost of food, freight and distribution. Funds donated to food appeals may also be used to cover the costs of local food projects, such as animal husbandry and agriculture and operational expenses.*

My gift is:

- In memory of: _____ (Name of person to be memorialized)
