\* Because of the size and need of the average family, for \$7,600, we build all houses with two bedrooms and a living area, sanitation and a water component. We help a house become a home by also including furnishings and a solar-powered light kit with the home as needed. Any gift of \$3,800 will be matched with the gift of another generous donor, and you will both receive a Certificate of Appreciation with a photograph of the family standing before their secure and comfortable home. What a beautiful way to honor or memorialize a loved one.

\*\* Food For The Poor has ongoing animal husbandry and apiary programs that support poor families and communities. The funds that are raised from animals in this campaign are used to support the aforementioned programs.
