

JULY 2010

# CHILD OF THE MONTH

Christian, 10, Honduras

Christian

His family threatened to toss him out into the street like garbage. If someone didn't take him into their home, Christian would be left on the sidewalk in San Pedro Sula, Honduras.

No one loved him. No one cared. Christian, 10, was suspicious of strangers and thought little of himself. The lonely little boy didn't think he was worth anything. Then he was taken to an orphanage supported by Food For The Poor.

Christian struggled to believe in his own worth. He had never heard about God and how God loves him. He said he thought he was stupid and no one could ever want to love him.

Christian is now in an orphanage where his new family is determined to let him know how much he matters, and how much God loves him.

"I think that when you love a child, you can never take them away from your heart. I have so much faith in these children," said Androlla de Mitri, the founder of the home where Christian now lives.

Innocent children like Christian need your compassion and support to give them a future filled with hope. They have nowhere else to turn. Please consider **becoming a member** of Food For The Poor's Child of the Month Club by reaching out to help a child in desperate need. May God bless you for your compassion.

*"And whoever receives one child such as this  
in My name receives Me."  
(Matthew 18:5)*
