

*A destitute family will receive  
a home, food and a new start  
in life in your honor.*

*F*or a destitute family in the Caribbean and Latin America, a new home and the means to earn a living would be a miracle. A gift has been given to Food For The Poor in your name to provide a family with a home with a latrine, food for a year, school supplies for their children, and the means to start their own business.
