--Food for the Poor, Southern Wine & Spirits, City of Miramar, and City of Miami Haitian Relief Task Force Deliver Over 200 Pallets of Water--

Miramar, Florida (January 18, 2010) – Spirit Airlines has completed its first relief effort flights to Port-au-Prince, Haiti.

Spirit's first flight departed Fort Lauderdale-Hollywood International on Sunday afternoon loaded with 20,000 pounds of much-needed water for the people of Haiti. A second flight arrived in Port-au-Prince on Monday morning. The airline is currently working on a schedule for possible additional relief flights.

"We are working on several relief efforts," says Spirit Airlines CEO and President Ben Baldanza. "We have already taken two flights full of water that is so desperately needed by our friends and neighbors who are suffering through this unimaginable tragedy."

"Spirit is working with Food for the Poor and their local team in Port-au-Prince who has greeted both of our flights to coordinate delivery of the supplies to the Haitian people," says Brian Davis, Spirit Airlines' Senior Director of Airport Affairs who is on the ground in Haiti coordinating the efforts. "This ensures that the supplies are being distributed to those in need."

The following organizations are assisting Spirit in this relief effort and have already delivered over 200 pallets of water to Spirit's hanger:

- ***Food for the Poor*** and ***U-Haul of Margate*** delivered 20 pallets of water.
- ***Southern Wine & Spirits*** contributed 50 pallets of water.
- ***The City of Miramar*** and ***J.R. Transport*** over 60 pallets of water.
- ***City of Miami Haitian Relief Task Force*** delivered 74 pallets of water.
