* Food For The Poor has ongoing animal husbandry and apiary programs that support impoverished families and communities. The funds that are raised from animals and bees in this catalog are used to support the aforementioned programs.

** Because of the size and need of the average family, for \$9,800, we build all homes with two bedrooms and a living area, sanitation and a water component, and furnishings with their home, funded by other generous donors. Families with no access to electricity will also receive a solar-powered light kit. Any gift of \$4,900 will be matched by another generous donor, and you will both receive a Certificate of Appreciation with a photograph of the family standing before their secure and comfortable home. What a beautiful way to honor or memorialize a loved one.
