* Food For The Poor has ongoing animal husbandry and apiary programs that support impoverished families and communities. The funds that are raised from animals and bees in this catalog are used to support the aforementioned programs.

** Because of the size and need of the average family, for \$9,800, we build all homes with two bedrooms, a living area, sanitation, a water component, a cooking area, a sink, furnishings, lighting and structural elements to withstand severe weather conditions. Any gift of \$4,900 will be matched by another generous donor, and both will receive a Certificate of Appreciation with a photograph of the family in front of their secure and comfortable home.
